BRINGING FASHION BACK INTO SAFETY

A first among the safety eyewear industry, the Armourx Collection combines fashion and unique designs for safety eyewear in the workplace. Armourx was developed by one of Canada's leading eyewear companies. With an extensive background in creating eyewear that is fashion-forward and high in quality craftsmanship, the Armourx Collection is both stylish and functional. Each model provides standardized eye-protection for the workplace. Look stylish and feel comfortable in Armourx's individual collections from Wrap-Rx, Metro and Titanium to Classic and Basic.

WRAP-RX

COLLECTION

THE WRAP-RX COLLECTION brings together both function and style. The protective structure of an integrated side shield, quality material and available accessories, make these wrap-around models ideal for the workplace. The WRAP-Rx Collection is great for indoor and outdoor work environments.

SIDE SHIELDS

WE'VE GOT YOU COVERED

REMOVABLE

To protect your eyes from workplace hazards, side shields are available for all Armourx frames.

ARMOURX SIDE SHIELDS ARE:

- Tested per ANSI and/or CSA Standards
- Impact resistant
- Resistant to lens cleaning chemicals
- Durable - will not crack or craze over time

PERMANENT FOR METAL TEMPLES - MOLDED
(Side shield is fused to the temple)

Side shields for Armourx frames are available in both removable and permanently attached configurations.

PERMANENT FOR PLASTIC TEMPLES - RIVETED

Removable side shields are ordered as a separate accessory and each side shield is designed to fit a specific frame. Permanently attached side shields are attached using two different methods, depending on the temple material. Frames with metal temples have side shields permanently moulded onto the temple.* Frames with plastic temples use a decorative rivet to permanently attach the side shields. Both configurations of permanent side shields are attached at the factory, so you won't have to worry about extra little parts needed, or riveting.

NO ASSEMBLY REQUIRED!

SPARE PARTS

Armourx does not offer replacement temples or fronts. If a frame has been significantly damaged as to require the replacement of a major component, it is impossible to determine if the integrity of the entire frame has been compromised, making the frame unsafe or non-compliant.

PLEASE NOTE that we do provide replacement nose pads, temple tips and screws.

EYEWEAR WARRANTY POLICY

All Armourx safety eyewear is **warrantied for one year from the date of purchase against manufacturer defects.**

Any modifications will void the warranty and may deem the product non-compliant with CSA Z94.3 and/or ANSI Z87.1

Please call Armourx Customer Service at **1-877-938-2100** or email **info@armourxsafety.com** for any inquiries regarding the warranty policy.
